

*June 2021*

Dear Middle School Families,

Welcome to the summer! I hope your child finished the school year on a positive note and that you are enjoying the beginning days of the summer season.

Please take a few minutes to review the documents in this Portal. There are many important pieces of information here for you, including supply lists, book ordering information, summer work for students, and important calendar dates.

Periodically throughout the summer, the Portal will be updated, so please be sure to check back a couple times each month.

The summer at GSB (besides our [GSB Summer Camp!](#)) is a time to create schedules, assign classes, and prepare for the coming school year. This information will be made available at the end of August. Please see page 48 in our *Parent/Student Information Handbook* regarding placement practices.

In the meantime, please reach out if you would like to chat on the phone or meet in person. I wish each of you a terrific summer, one filled with laughter, time at the beach, and fun with friends!

Warmest Wishes,

Kyle Armstrong  
LS & MS Director
