

## Lower School: Kindergarten to Fourth Grade Dress Code Procedure

The Lower School has a standardized dress code for grades Kindergarten through four. This includes polo shirts, khaki, navy, or gray pants and dresses. Uniforms can be found at Lands' End and [www.landsend.com](http://www.landsend.com). Our school code for ordering items is 900124108. Enter the school code to view approved items and colors. As long as the uniform complies with the guidelines below, clothing may be purchased from stores other than Lands' End.

Leg wear: Legs must be covered between October 15 and April 15. Exceptions will be made and announced by the Lower School Director in the event of unseasonable weather. Leg wear includes pants, and tights/leggings under dresses and skirts.

Footwear: Sneakers or comfortable shoes are the best choice for school. For safety reasons, sandals, flip-flops, heeled shoes, and Crocs are NOT considered appropriate footwear in the Lower School.

Clothing Colors: Approved colors of shirts and dresses are blue, navy, green, red, burgundy, and pink. White shirts are also permitted. Approved colors of shorts, pants, skirts, and jumpers are khaki, navy, and gray.

Sweaters, cardigans, and sweatshirts: These are items that can be worn over the uniform to keep warm while in class. The items worn over the uniform during the school day need to be free from logos other than GSB.

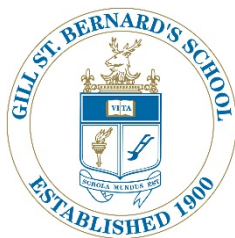

Logos: No other logo except for the GSB logo is permitted on any uniform clothing including sweaters, cardigans, and sweatshirts worn in the classroom.

Please note that blue jeans, denim, sweatpants, and athletic wear are reserved for special dress down days and are not a part of our daily dress code. Additionally, sweaters, cardigans and sweatshirts should be plain and free from logos other than GSB. College sweatshirts are also permitted.

Please contact Jill Fedon, Lower School Dean of Student Life, with any questions.
