

# Private Lessons *for* Middle School Students

Dear Middle School Families,

We are pleased to announce that we will be accepting new piano, violin and guitar students into our Middle School program on a first-come, first-served basis. Our music specialist, Ms. Kathleen Burke, will be guiding students to explore and develop their individual musical skills and creative expression through innovative teaching strategies in weekly lessons after school. Students will gain confidence, build their focus and concentration, and increase their focus and attention as they explore musical styles from diverse backgrounds and cultures.

For more information and to secure a place for your child, be sure to reach out as soon as possible as available lesson times are limited. Please send an email regarding your interest to me at: [\*\*\*ecarney@gsbschool.org\*\*\*](mailto:ecarney@gsbschool.org).

We are excited to include your family in our program!

Sincerely,

*Mrs. Elizabeth Carney, Lower School Music and Band*
